USA Senior National Representative

Dear Pastor/Ministry Leader:

Pastors and Ministry Leaders seldom have a more incredible opportunity than I am sharing with you today.

But first, let me THANK YOU for your interest in Bridges for Peace. We are boots on the ground in Israel because of partners, just like you, who are actively committed to Zion and provide prayer support to this ministry.

Now I'm INVITING YOU to participate too and take the next step with us, so that together we can care for more of the needy in Israel, educate more of our brethren in the Church, and build more relationships with the Jewish people. Here's a next step...

Join the Bridges for Peace USA Field Network as a Partnered Pastor.

The USA Field Network has consisted of Senior Leaders, Representatives, Key Contacts, and Prayer Leaders. Now we would like to expand the Network to include you as a Partnered Pastor. Here's how that would look...

- We will keep you connected through informative monthly email updates
- You will have access to RepNet, our online treasury of education resources
- You will qualify for discounts, scholarships, and other assistance for Study Tours to Israel, including the May Institute of Israel Studies (biblical studies/ Israel advocacy training) and the November Israel Solidarity Mission (a worldwide expression of Christians standing with Israel)
- You will receive Connection Cards for your congregants who may want a personal connection to Israel through the ministry of Bridges for Peace
- You will receive additional Israel education resources from our Florida HQ upon request and online at [www.bridgesforpeace.com](http://www.bridgesforpeace.com)
- Prayer support for the Network is priority at Bridges for Peace; you can call in your prayer needs on our 24/7 prayer line: 321.749.PRAY (7729)

Bridges for Peace publishes books and highly acclaimed biblical teaching articles, all available to our Field Network. Reply to [postmaster@bfpusa.org](mailto:postmaster@bfpusa.org) with your title, full name and mailing address, phone and Email address. As our gift of appreciation, you will receive BFP-USA National Director, Dr. Jim Solberg's signed copy of the outstanding Torah devotional, *Sinai Speaks*.

Thank you so much for prayerfully considering taking this step with us...for Zion's sake, and for the Church.

Rich blessings in Jesus our Lord,
